Premier's Foreword	3
Minister's Foreword	5
<b>Chapter One: A Secure Water Future for Victoria</b>	<b>6</b>
Meeting the Challenge	10
A Pathway to Sustainable Water Management	11
<b>Chapter Two: Water Resources and Their Allocation</b>	<b>14</b>
Our Water Resources and Their Values	17
Improving the Water Allocation System	18
The New Water Allocation Framework in Practice	22
Long-Term Water Resource Planning	26
Varying Water Entitlements	29
Improving Compliance and Accountability	31
Managing Future Risks	34
Addressing Impacts of Catchment Land Use	35
<b>Chapter Three: Restoring our Rivers and Aquifers for Future Generations</b>	<b>38</b>
Tackling all Aspects of River Health	42
Additional Resources for Protecting and Repairing Rivers and Aquifers	43
The Environmental Water Reserve: From Concept to Reality	44
Enhancing the Environmental Water Reserve in Stressed Rivers	47
Improving Environmental Flows in the Snowy and Murray Rivers	53
Thomson Macalister River System – Repairing the Damage From Supplying Water to Melbourne	58
Managing the Environmental Water Reserve	62
<b>Chapter Four: Smarter Use of Irrigation Water</b>	<b>66</b>
Refining Water Entitlements to Improve Choice	69
Simplifying and Providing More Certainty About Water Shares	72
Dealing with Channel Congestion and Stranded Assets	76
Upgrading and Rationalising Distribution Services	82
Helping Water Use on Farms to be Sustainable	87
<b>Chapter Five: Smarter Water Use in Our Cities and Towns</b>	<b>90</b>
Policy Framework for Sustainable Urban Water Management	93
Balancing Water Supply and Demand	94
Reducing Water Consumption	96
Actions to Deliver Water Savings	98
Recycling and Alternative Water Supplies	106
Securing Our Drinking Water Supplies	119
Providing Safe and Reliable Drinking Water and Sewerage Services	121
Getting the Right Planning Framework and Regulation	122
<b>Chapter Six: Pricing for Sustainability</b>	<b>124</b>
Structure and Design of Prices Driving Sustainable Use	127
Environmental Contribution	129
Pricing to Recover Service Delivery Costs	131
Long-Term Interests of Customers	134
Revised Concession Arrangements	136
<b>Chapter Seven: An Innovative and Accountable Water Sector</b>	<b>138</b>
Improved Clarity and Allocation of Roles and Responsibilities	142
Improved Capability and Effectiveness	146
Improved Integration and Coordination	151
Incentives for Innovation and Improved Performance	152
Glossary of Terms	154
Appendices	156
Abbreviations	168
Figures and Tables	169
